Subject: [EXTERNAL] PSC Docket No. 2020-63-E Petition of Bridgestone Americas Tire Organization, LLC for an Order Compelling Dominion Energy South Carolina, Incorporated to Allow the Operation of a 1980 kW AC Solar Array as Authorized by State Law

Dear Parties of Record:

In accordance with Commission Directive Order No. 2020-196, please advise regarding your availability for a conference call either this coming Monday, April 27th, Tuesday, April 28th, or Wednesday, April 29th, anytime between 9:00 a.m. and 5:00 p.m., or after 12:30 p.m. on Thursday, April 30th or Friday, May 1st. I will be able to adjust my schedule on those days for this conference call to set a procedural schedule in this matter. If none of these dates are available, please advise as other possible dates and times.

Due to the ability to see an automatic email reply message from having placed his email in the addressee line, it is my understanding that Jeff Nelson with the ORS is out of the State until Monday, April 27th (at least that is what the email software is showing as an "auto reply"). Therefore, I would ask that everyone check their schedules for the later part of the week. If you have greater flexibility and are available for more than one proposed time, please advise as someone else may have limited availability.

Please let me know what time is good for you and I will send the conference call number with the resulting conference call time and date to discuss the procedural schedule for this docket. If you have a suggestion for the procedural schedule, or the amount of time needed to complete discovery (if any) prior to the filing of testimony, please advise to all parties when responding to the Commission Staff. There should be at least 3 weeks between the filing of surrebuttal testimony and the hearing (if possible).

Thank you for your attention to this matter and it is hoped that everyone is doing well during these COVID 19 times.

With kind regards, I am

Jo Anne Wessinger Hill
